

BB BULLDOG BASH

FOOD VENDORS

HISTORY

Bulldog Bash™ was created in 1999 to kick off the SEC football season for the Mississippi State Bulldogs. Now in its 27th year, Bash has grown tremendously throughout its history. Initially serving around 2,000 attendees, it's now seen crowds as large as 35,000 students, alumni, and community members.

FOOD VENDORS

Food vendors are apart of our Maroon Market, which is a daytime event that attracts shopping visitors. It features a curated selection of art, food trucks, local artists, and activities. Our market allows vendors to gain visibility within the community and affords attendees a meaningful experience before the headliner.
