

BB BULLDOG BASH

MAROON MARKET

HISTORY

Bulldog Bash™ was created in 1999 to kick off the SEC football season for the Mississippi State Bulldogs. Now in its 27th year, Bash has grown tremendously throughout its history. Initially serving around 2,000 attendees, it's now seen crowds as large as 35,000 students, alumni, and community members.

MAROON MARKET

Maroon Market is a daytime event that attracts visitors who shop with our vendors. It features a curated selection of art vendors, food trucks, local artists, bakeries, and activities. Our market allows vendors to gain visibility within the community and affords attendees a meaningful experience before the headliner.
